PLEASE READ THE INFORMATION ON THE REVERSE SIDE BEFORE COMPLETING THE EQUIPMENT REBATE APPLICATION.

Terms and Conditions

Applicant Eligibility

1. The program is available to Dominion Energy South Carolina's business customers under general service (Rate 31) and medium general service (Rate 33) rate classes.
2. Dominion Energy South Carolina will confirm your eligibility, once application is submitted.
3. I certify that I am an eligible Dominion Energy South Carolina customer and I have installed the indicated energy-saving products for use in my business facility and not for resale or otherwise.
4. Applicants must be the customer of record OR own the facility where the installation occurred for an active Dominion Energy South Carolina commercial gas account. Applicants who are not the account holder but do own the property where the service was performed, may apply by including an IRS Form W9, which can be found at www.irs.gov/pub/irs-pdf/fw9.pdf.
5. Rebates are valid for purchased equipment. Leased equipment will not qualify.
6. All applicable natural gas commercial cooking equipment listed on the ENERGY STAR[®] website is eligible for the ThermWise program. All food service equipment meeting the eligibility requirements of this application must be installed on or after 10/01/2023. Please visit <https://www.energystar.gov/productfinder/product/> to verify if the equipment is ENERGY STAR[®] certified. ENERGY STAR[®] website is subject to change; please check for updates on eligible equipment. Multiple rebates for the same piece of equipment are not permitted.
7. Applicants are responsible for ensuring that equipment installed for this program meets all applicable codes, standards and requirements. Equipment must be installed by a licensed mechanical contractor.
8. To be eligible for a rebate, installed equipment must be of the same equipment type as removed equipment. (Ex. natural gas griddles must be replaced by natural gas griddles). This program does not allow fuel switching or provide rebates for new equipment that does not replace old equipment of the same type.
9. Removed equipment must be legally disposed of and must not be reinstalled in our service territory or transferred to any other party for installation in our service territory.
10. Applicants must submit a completed Commercial Natural Gas Food Service Equipment Rebate Application along with a copy of proof of purchase (detailed installation invoice) within 90 days of installation.

Other Conditions

1. Dominion Energy South Carolina's Commercial Natural Gas Food Service Equipment Rebate Program has been approved by the Public Service Commission of South Carolina and may be subject to change or modification, without prior notice, at any time.
2. Rebate payments will be in the form of checks and made out to the account holder (customer), unless an IRS Form W9 is submitted, as stated in #4 under Applicant Eligibility.
3. Should equipment for which a rebate was paid be removed after the rebate is paid, the applicant will reimburse Dominion Energy South Carolina for the rebate paid plus associated legal and/or collection related costs and expenses.
4. Dominion Energy South Carolina reserves and the Applicant grants Dominion Energy South Carolina the right to inspect the installation. Should the facility not have the qualifying equipment installed, contrary to the information contained in the Application, the rebate must be repaid to Dominion Energy South Carolina.
5. Dominion Energy South Carolina reserves the right to amend or discontinue this program without notice.
6. Rebates will be processed approximately four to six weeks after receipt of a completed Rebate Application and proof of purchase (detailed installation invoice). Incomplete applications are subject to delay or denial.
7. Dominion Energy South Carolina does not warrant the performance of the equipment or that the equipment will result in reduced usage or demand or lower energy costs.
