

2023 BIENNIAL REVIEW CREDIT

In accordance with the Commission's Final Order in Case No. PUR-2023-00101, the Company will provide an aggregate amount of bill credits for the 2023 Biennial Review Credit totaling \$15 million to eligible customers. The 2023 Biennial Review Credit will be used for calculating customer credits based on the Customer's Electricity Supply kilowatt-hours purchased from the Company for usage on and after January 1, 2024 through and including June 30, 2024. Once such calculations have been completed, the 2023 Biennial Review Credit tariff will no longer be effective and will be withdrawn. The billing of customer credits will be applied to customer bills by September 30, 2024.
