

Years of Savings With Every Upgrade

Get rebates on **ENERGY STAR®** certified appliances to save money and energy. Want lower energy costs? We have you covered.

Dominion Energy offers residential customers rebates on ENERGY STAR certified appliances. These appliances have advanced technologies, using up to 50 percent less energy than standard models and improving comfort in your home. This means lower energy costs monthly and for years to come.

Rebates are available on ENERGY STAR certified:

Refrigerators \$50 Rebate

- Use about 9 percent less energy than standard models
- Save about \$8 annually and \$73 over their lifetime

Room air purifiers \$50 Rebate

- Use about 67 percent less energy than standard models
- Save about \$44 annually and \$331 over their lifetime

Freezers \$50 Rebate

- Use about 10 percent less energy than standard models
- Save about \$5 annually and \$51 over their lifetime

Dehumidifiers \$25 Rebate

- Use about 25 percent less energy than standard models
- Save about \$24 annually and \$229 over their lifetime

Savings and efficiency statistics provided by the ENERGY STAR Savings Calculator, based on rate of \$0.12/kWh.

Clothes washers* \$50 Rebate

- Use about 23 percent less energy than standard models
- Use 21 percent less water
- Save about \$30 annually and \$259 over their lifetime

Electric clothes dryers \$100 Rebate

- Use about 21 percent less energy than standard models
- Save about \$18 annually and \$171 over their lifetime

Dishwashers# \$50 Rebate

- Use about 12 percent less energy and 15 percent less water than standard models
- Save about \$6 annually and \$48 over their lifetime

Two ways to save on efficient appliances

Don't want to wait for your rebate? No problem! Now you can get an in-store coupon before you shop that lets you save instantly at the time of purchase. It's easy—all you need is your smart phone and account number.

How to get your In-store Rebate:

1. Visit dominion.clearesult.com.
2. Enter your Dominion Energy account number.
3. Choose the coupon for your desired product.
4. Show your coupon code at checkout and save!

In-store Rebate

In-store coupons are currently accepted at **Lowe's** and **Home Depot**.

For those who prefer to shop first and save later, you can still apply for rebates after your purchase.

How to apply for a rebate after purchase:

1. Visit dominion.myrebateportal.com.
2. Have your account number, product information and receipt handy.
3. Follow the prompts and submit your application.
4. Receive your rebate check in the mail.

Portal Rebate

No matter how you choose to save, we'll make receiving your rebate easy.

ELIGIBILITY REQUIREMENTS

1. Must be a Dominion Energy residential customer.
2. Purchase must occur on or after January 1, 2020.
3. Rebate application must be submitted within 90 days of the purchase date.
4. Customer is eligible for up to two rebate applications during the Program time period.
5. Failure to provide any of the required information will delay processing of Customer's application and could result in non-payment. Dominion Energy retains the right to deny participation to Customer for failure to comply with the enrollment qualifications and requirements for participation.
6. Rebate payments are based on the date of purchase. Customers must abide by the rules and rebate levels in effect on the date of service.
7. Payment will be issued to the account holder and mailing address on record with the utility.
8. Please allow up to 90 days from the date all required information is received to process your rebate.
9. Clothes dryers must be electric to be eligible.
10. *Clothes washers for use in homes that use fuels other than electricity for both water heating and clothes dryer(s) may not be eligible
11. #Dishwashers must use electric water heating to be eligible.
