Dear Neighbor,

As a follow-up to our August 30th letter, we invite you to attend a virtual neighborhood meeting next month.

Dominion Energy is proud to be a new neighbor with our Winterpock solar facility. Once constructed, this newly acquired 20MW solar facility will serve 5,000 customers in the county and Greater Richmond Region.

Construction is scheduled to begin in the second quarter of 2022. The Dominion Energy project team is committed to keeping our neighbors and community informed as we evaluate the proposed site. To that end, we will be hosting a Webex virtual neighborhood meeting at 6:30 PM on November 16th.

To join the meeting, complete the following steps:
